## It's Time to Set Sail

If you've been waiting to make summer plans, now is the perfect time to take advantage of SCORE's vacation loan. Whether you're looking for down time by the seaside, or in the cool mountain air, SCORE can help you reach your destination with up to \$5,000 at a low rate of 10.90% APR with a one year payout. What better way to take the family on a memory making excursion, or a much needed reprieve with plenty of time for rest and relaxation.

## Traveling by Land or Sea

In Florida, summer is meant for fun in the sun and spending time in the great outdoors. If you've been considering purchasing a new vehicle, RV or boat, SCORE can help you close the deal. You can prequalify and check current loan rates at [www.scorefcu.com](http://www.scorefcu.com), or call the loan department at 850-488-1015.

## Electronic Title

The credit union and State of Florida currently uses electronic title for vehicles, boats, RV's, ATV's and motorcycles. Therefore we do not have a paper title on site. If you are planning on selling your vehicle, we ask that you notify us at least 2 weeks before doing so, so that we can obtain a paper title for your convenience.
