## Back to School

*Parents and kids are counting down the days until school starts back—most likely for very different reasons.*

For many parents, it's time to cut the apron strings and send a young collegiate off for higher education. Those with school age children are most likely anxious to end the financial drain of summer camps and get back to a more predictable routine.

It's inevitable. The 2007-2008 school year is only a few short weeks away and it's time to take care of books and supplies, clothing or uniforms, tuition, lab fees, computer upgrades and more. Whether college bound or returning to grades K-12, the expenses add up!

Using your SCORE MasterCard and SCORE Debit cards will make back to school shopping easy to track and manage. Returns are much easier with debit and credit cards than if you've written a check. And if you would like to have the limit of your credit card increased, just contact the loan department.

If preparing for the upcoming school year is going to tip your financial scale, SCORE offers a Back to School loan up to \$3,000 with a one year payout at 10.90% APR. (Available through 9/30/07.)

To apply for a loan, apply online at [www.scorefcu.com](http://www.scorefcu.com); visit our loan department; or call SCORE's 24-7 Lending at 1-877-690-1206

### **Help your community, donate school supplies**

While shopping for school supplies, pickup a few extra items and look for drop boxes to make a donation. These extra supplies benefit both kids in need and teachers. Drop boxes are located throughout the area... Chick-fil-A collects supplies for Children's Home Society, there are drop boxes in Walmart, Publix Supermarkets, Office Depot and more. This is a great way to give back to your community.
