Get Ready for the Holidays with SCORE Mastercard

CU Reward points
Annual Activity Summary
No Fee Cash Advance
No Fee Balance Transfer
No Annual Fee

In anticipation of the holidays, now is a great time to apply for a SCORE Mastercard. It's one of the best credit card programs around! SCORE's Standard Mastercard account has a very low rate of 10.9% and the Gold Mastercard is even lower at 9.9% and there is no annual fee. Looking at the fine print of many other credit card offers, there are extra fees for cash advances, as well as higher interest rates for cash advance balances on your account. SCORE doesn't charge extra for cash advances, nor is the cash advance balance calculated at a higher rate. These are just a few of the benefits of the SCORE Mastercard. For those who qualify, the Platinum Mastercard offers higher limits.

If you don't already have a Mastercard from SCORE, now is the time to apply. SCORE Mastercard can help you manage and track your holiday spending—it also makes gift returns much easier.

To establish an account or to increase your credit limit, visit the SCORE web site at www.scorefcu.com or call the credit union at 850-488-1015.
