

E Newsflash

SCORE Federal Credit Union • April 2006 • www.scorefcu.com

Breaking New Ground

In the near future, the residents of Wakulla County will have a full service SCORE Federal Credit Union right in their neighborhood. Construction will soon be underway for the new Wakulla Branch. The site is located at the Century Park Commercial Center in Crawfordville, off of US 319. Similar in design to SCORE's newest location on North Monroe Street, the Wakulla branch will be a full service location, including drive-thru and ATM.

Services

Shared Service Centers

As of April 1, 2006, Envision Credit Union no longer accepts shared service transactions. The Tallahassee Shared Service facility at the corner of Maclay and Thomasville Road will remain a shared service center for SCORE and other credit union members. Likewise, as a convenience and service to credit union members in our area, SCORE accepts shared service transactions at all SCORE locations. For a listing of shared service facilities, visit www.creditunion.net.

Signature Guarantees

Effective May 1, 2006, SCORE will no longer offer Signature Guarantees.

Benefits of VISA Gift Cards and SCORE Mastercard

VISA Gift Cards

In the next month, high school seniors will be graduating, celebrating their accomplishments, and preparing for the next phase of life. Choosing a graduation gift can be difficult — do you get the young scholar a gift geared toward travel, college life and further studies, or setting up an apartment. The VISA Gift Card can accommodate all of these ideas and more. It allows the graduate to make the choice of where and how the gift will be spent—towels for an apartment, the expense of books and supplies, or possibly contributing toward a Eurail pass. Stop by SCORE to purchase a VISA Gift Card for your graduate.

Mastercard CU Rewards

If your summer plans include travel, use your SCORE Mastercard for your expenses and earn CU Reward points. CU Rewards allows you to earn points toward merchandise or travel— just by using your SCORE Mastercard. For each dollar you charge, you earn one point toward an award of your choice. Your monthly statement will reflect the CU Reward points you've earned and your total. For a list of rewards, visit www.curewards.com

Calendar

The credit union will be closed for the following holidays:

MEMORIAL DAY • Monday, May 29, 2006

FOURTH OF JULY • Tuesday, July 4, 2006
